25X1

[Redacted]

25X1

25X1

25X1

[Redacted] Total does not include personnel stationed at  
[Redacted]

Mr. Coffey stated that these numbers are official and the only ones to be used in any official discussion of the matter.

25X1

[Redacted]

3. Mr. Jim Taylor, BoB Examiner, has commented most favorably on the Support Directorate briefings. He was scheduled [Redacted] on the 10th and [Redacted] on the 11th of March.

25X1

25X1

4. Surplus Personnel:

- Report on problem areas was submitted to the Executive Director-Comptroller on 1 March 1970.

- Support Directorate revised procedures have been distributed.

SECRET

**SECRET**

25X1

- Revised [ ] which has OGC, IG, and D/Personnel concurrence will probably be discussed at Deputies' Meeting before release.

- Revised T/O's are to be submitted by each component by 25 March.

5. Mr. Coffey indicated that the pilots were tough to negotiate with, that it took strong talk to settle with them. Mr. Bannerman will probably tell us more.

6. Highlights of [ ]

25X1

- The Indigenous:

. Salaries have increased considerably. The Union is now asking for 18 month's pay for 12 month's work. The payroll is about \$2 million this year - an increase of 350k over last year.

. Station is on a 48-hour week; wants a 40-hour week.

25X9

. Have RIF'd [ ] to date in this FY - [ ]

25X1

25X1

[ ] RIF pay is 130% of monthly salary X each year of service.

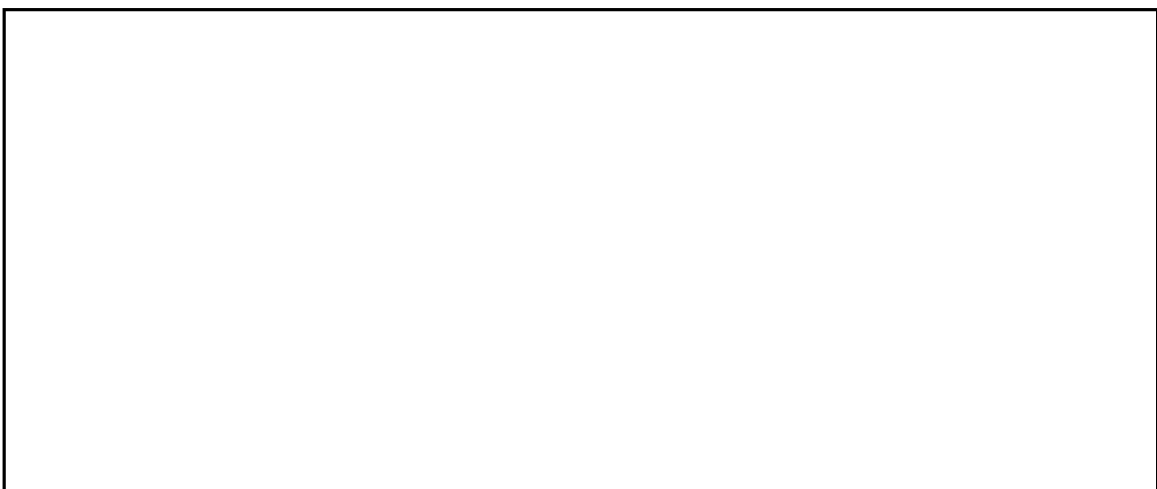

. There could be additional agitation [ ] may have to RIF [ ] more.

25X9

25X1

. The Station workers are becoming more aggressive - have refused to work overtime.

25X1

John is pleased with the results. Additional cost centers help focus on costs of unit activities - e.g., motor pool.

**SECRET**

SECRET

25X1

He stated that he would want information on the future before the Station incurs heavy expenditures for hardening the area, peripheral lights, etc.
